

SUPPORT AT THE RIDGE THEATRE

At the Ridge Theatre's mission is to provide quality musical theater experiences for our community. Our purpose is to provide and arts education experience where training in acting, music, dance and theater tech are emphasized.

As a non– profit organization At the Ridge Theatre simply wouldn't exist without the generosity of individuals, corporations and organizations. Ticket sales and camp tuition cover only a portion of our production and camp costs so we rely on community gifts to close the gap and provide essential funding to:

- Provide quality musical theatre productions for our community to attend.
- Provide training in acting, music, dance and theater tech.
- Provide summer theater camp experiences for K-12 children.
- Support students continuing their education through our post high school scholarship program.

It is easy to get involved and give a gift to At The Ridge Theatre!

Send your donation in the mail to the address listed below. Double or triple your gift through your employer's [gift matching program](#). Your support of the arts will make a difference for our students, our actors and our community.

At the Ridge Theatre is a 501 (c) (3) non– profit organization. Your donation is tax deductible.
